## What is EDGE?

Edge is a free, Catholic youth ministry group for all teens in Grades 6-8. Teens are welcome to bring friends, as well. Edge meets on Thursdays from 6:30-8PM at the St. Matthew Parish Center. Drop-off and pick-up takes place in the St. Matthew School lot at 33 Welch Drive, Bristol, CT. During each Edge night, we gather for snacks and a game, listen to a talk, break into small groups for an activity, and close with a prayer experience. Edge provides a safe community in which teens can have fun, spend time with friends, grow in relationship with Jesus, and learn about our Catholic faith.

## Parent Involvement

For most Edge nights, parents will receive a parent letter which contains a brief overview of the Edge Night along with discussion questions for the family to use as a follow-up. There will also be some Edge Nights where parents will be invited to attend as well.

## Communication Awareness

Please be aware that we will be posting through the youth ministry social media accounts. Parents can follow the accounts, and with permission from parents, teens can follow the accounts too. A weekly email will be sent to parents and the communications that will be passed along will include: event updates, time/location changes, faith resources, and parent letters.

**If you would like to receive Remind texts about Edge events, please include your first name and cell phone number here:** \_\_\_\_\_
